HOLLAND BITTERS.

THE CELEBRATED HOLLAND REMEDY FOR DYSPEPSIA, DISEASE OF THE KIDNEYS, LIVER COMPLAINT, WEAKNESS OF ANY KIND FEVER AND AGUE,

And the various affections consequent upon a disorder STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure. This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Borhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged. It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use

of ardent spirits, or other forms of dissipation. Generally, instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system. Whoever expects to find this a beverage wil be disappointed; but to the sick, weak and low spirited, it Corn is Erm : sales of white 76 cents; yellow 78 a 79 cents. | will prove a grateful aromatic cordial, possessed of singular

remedial properties. CAUTION: The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not pursuaded to buy anything else until you have given Berhave's Holland Bitters a fair trial. One bot-

PROF. O. J. WOOD-Dear Sir: Some time last summe ve were induced to use some of your Hair Restorative, and its effects were so wonderful, we feel it our duty to you and the afflicted, to report it. Our little son's head for some time had been perfectly covered with sores, and some called it scald bead. The hair almost entirely came off in consequence, when a friend, see ing his sufferings, advised us to use your Restorative, we did so with little hope of success, but, to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop or hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair as any other child We can, therefore, and do hereby recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair. We are, yours respectfully, GEORGE W. HIGGINBOTHAM. SARAH A. HIGGINBOTHAM.
